IRRISARRI LAND

LOCATION

Between San Sebastian and Pamplona lies a village full of history: ranging from the presence of the Templars to the legends of witches. Not far from there, there is an old, renovated palace that now serves as an adventure park and hostel. Its facilities are equipped with all the necessary amenities for a range of activities, while its surroundings offer spectacular views.

FACILITIES

IrriSarri Land offers completely renovated facilities that caters to all needs: from spacious outdoor areas to enjoy a variety of games to indoor areas equipped with dedicated entertainment facilities. In addition, the hostel has air-conditioned rooms and private showers to ensure a comfortable stay.

EXCURSIONS

During the Cool Offs we will carry out all sorts of activities: workshops, water games, night games, and activities to improve English, among others. We will also go on excursions!

At IrriSarri Land, we will spend a whole day exploring the enchanting forests that surround the park. During this exciting day, our intrepid explorers will be able to enjoy breathtaking tree top walks, cross an impressive Tibetan bridge, and swing across the park's various zip-lines.

To make the most of all that IrriSarri Land has to offer, at some point during the stay, either in the morning or in the afternoon, they will enjoy an equestrian initiation and take part in exciting laser tag.
